DON LEANDRO CABRINI

Our flagship wine, named after the winery's founder, Don Leandro Cabrini. It is produced differently every year, under the direction of Victoria Oros Cabrini, our head winemaker, using only the best grapes from the current vintage.

The Don Leandro Cabrini 2014 is 100% Tempranillo from Tupungato, Uco Valley, a vineyard planted in 1957 located at 1300 masl. The high altitude is essential to producing a wine with a high concentration of aromas, colour and taste.

After fermentation, the wine is aged in large concrete tanks for a few months. Then bottled and kept in our cellars for at least 1 year before release.

Two words to describe this Don Leandro Cabrini vintage: Concentration and Charisma. It features aromas of cassis, black cherries and blackberries. On the palate it is a well structured, smooth and complex wine.

The label was created in the 1970s, and 2014 is the first vintage to re-introduce it to a new generation of wine drinkers

Don Leandro Cabrini 2014 is a limited production wine: Only 1000 bottles have been made.
